TEST SCORES

Many applications for college admission will request information related to tests that you have taken. Use the worksheet below to list the scores for tests you have already taken. If you have not yet taken the SAT or ACT, speak with your school counselor about upcoming test dates – you will need to take at least one of these college entrance exams soon! Most colleges will also require an “official” score that is sent by College Board (SAT scores) or ACT (ACT scores). Talk with your school counselor about how to do this.

COLLEGE APPLICATION INFORMATION

Many colleges will ask for information regarding your college plans. You may be asked what subject area you intend to major in and for which term you are applying. Be sure to do research prior to your school's Louisiana College Application Week event regarding whether the colleges you are interested in have the major you want to study. If you don't know what you want to study, that's okay! You can work with your school counselor while you're still in high school to do career exploration and there will be resources on college campus to assist with this as well. If you don't know the subject area in which you want to major, you can likely apply with "undecided," but do your research before the Louisiana College Application Week event to make sure that is an option at the schools to which you plan to apply! Regardless, you can also change your major once you are enrolled in college too.

Intended Program or Major:
